

# Barcelona Art Walks & Barcelona Artists Studios Tours

- *Barcelona* has an abundance of talented artists. One of the best ways to **experience art** is to participate in an **art walk** or **artists studio tours**, our guided tours of local art galleries, art studios and alternative art venues.
- Studio tours allow you to **enjoy a behind-the-scenes view** of the creative process in a great variety of art media. Meet the artists, hear their stories and step inside their workspace to see the tools and techniques they use.
- We open the doors of Barcelona's visual arts community by introducing a wider audience to the unique vitality of the artists. *Barcelona Art Walks* & *Barcelona Artists Studio Tours* include visits to galleries and gallery-for-a day venues, open artists studios, participatory projects, artist talks, workshops, demonstrations, and much more. **Both tours can be combined** and designed to satisfy your specific interest.
- We propose **regular** or **tailor-made tours** in a wide range of artist and cultural fields.
