From *Barcelona Creative Tourism*, we help:

- Tour operators seeking specific contacts and creative activities for their customers, choirs and orchestras willing to perform in singular venues, artist collectives interested in exhibiting or improving skills with a local artist, and all people interested in carry on an artistic project in our city.

What do we propose?

- Cultural and artistic information and contacts.

- Artistic and thematic "tailor-made" stays commissioned by tour operators, artists and individual visitors willing to discover creatively our city.

- A wide range of services related to events organisation: project design, programming, coordination, technical production, press and communication, road managers, etc.

Please, feel free to submit us your plan, we will be delighted to help you.
